

➤ Elma Laser 3 Laser distance meter with inclinometer and Bluetooth

The Elma Laser 3 is a laser distance meter which measures distances to 80 meters, has a built in angle measurement and large backlit multi display.

With the use of Bluetooth, Elma Laser 3 can be used as a clever tool for documentation. Take a picture, using your smart phone or tablet, and quickly drag and drop the measurements/ comments to the picture in the free Elma Link App. You can then share by mail or other forwarding apps on your device.

The Elma Laser 3 has built in memory, timer, +/- calculation and area and volume calculation. It comes with a nylong bag, batteries and manual.

Features:

- Ideal to measure room dimensions, ceiling height etc.
- IP54 rated.
- Bluetooth functionality.
- Batteries included.
